To Whom This May Concern:

The Dickinson County Road Commission has been using the Mazzali Insurance Agency for its health insurance needs for quite some time.

They have proven to be a valuable asset to our organization and have been a tremendous help as we have moved away from Blue Cross and moved to Consumer Mutual Insurance.

They have provided us with excellent service and are always available to answer questions professionally and courteously.

Our experience with the Mazzali Agency has been excellent and we would recommend them to anyone seeking an agent-of-record for their group health insurance.

Sincerely yours,

A handwritten signature in cursive script that reads "Sandra Lindholm".
