To Whom It May Concern:

The Mazzali Insurance Agency has managed out group health care needs for over a decade now. On behalf of Sagola Hardwoods, Ltd., it is with great pleasure that I write to express my upmost appreciation for not only the excellent service they provide but for the way in which they provide it.

The staff at the Mazzali Agency are outstanding. They go the distance to research the best possible plans and services available to them and conform them to fit our needs. Their knowledge of the insurance industry and dedication to the needs of their clients is exceptional.

The Mazzali Insurance Agency has made our quest for health insurance a simple and cost effective task for our company. I would highly recommend them to anyone seeking insurance for a group or individual.

Sincerely,

Rebecca Luke
